SIDEMETAL
ECCLESIASTICAL ITEMS
—
SIDERIS VASILIS

Αξιότιμοι,

Η εταιρεία “SIDEMETAL” ιδρύθηκε το 1975 με κύρια δραστηριότητα τις επιμεταλλώσεις αντικειμένων.

Οι εγκαταστάσεις της “SIDEMETAL” στεγάζονται στον Αγ. Ιωάννη Ρέντη σε ιδιόκτητο χώρο 2000 τ.μ. που σέβεται το περιβάλλον και τις υψηλές παραγωγικές απαιτήσεις των πελατών της.

Η υψηλότατη ποιότητα και η συνέπεια κατέταξαν την “SIDEMETAL” στις πιό σύγχρονες μονάδες των Βαλκανίων με αντικείμενο το τελικό φινίρισμα, την επιδιόρθωση και την επαναβαφή εκκλησιαστικών ειδών μετά από μελέτη που εκπονεί για κάθε αντικείμενο ανάλογα με την χρήση του.

Από το 2014 η νέα πνοή της εταιρείας είναι ο Βασίλης Σιδέρης. Μέ την αγάπη και τον σεβασμό του στην παράδοση της εκκλησιαστικής τέχνης και την τεχνογνωσία του εξελίσσει την “SIDEMETAL” με εισαγωγές εκκλησιαστικών ειδών σε δικά του αποκλειστικά σχέδια, επιμεταλλώμενα πάντα με υψηλότατη διαχρονική ποιότητα σύμβολο της “SIDEMETAL” σε συνδιασμό με τις αποδεδειγμένες ανταγωνιστικές τιμές.

**Με Εκτίμηση
Βασίλης Σιδέρης**

Dear all,

The firm “SIDEMETAL”, was founded in 1975 with main activity the item metaling. “SIDEMETAL” is located in Agios Ioannis Rentis in a privately owned space of 2000m², with respect to its environment and their clients’ high standards.

The high quality and coherence have classified SIDEMETAL in one of the most modern units in Balkans in the industry of ecclesiastical items finishing and repainting, after careful examination of each item and its use.

From 2014 the new soul of the firm is Vasilis Sideris. With his love and respect in the tradition of ecclesiastical art and knowledge puts forward “SIDEMETAL”. This is achieved by importing ecclesiastical items of his own designs always metaled with high quality processes and competitive prices, a timeless symbol of “SIDEMETAL”.

**Kind Regards,
Vasilis Sideris**
